Sherfield Oaks

more than just great golf

Sherfield Oaks is one of Hampshire's best kept secrets for conference and banqueting venues, welcoming conferences, seminars, training days and meetings all year round.

The conference facility is designed in a contemporary style with the emphasis on luxury and elegance. Sherfield Oaks offers two large conference rooms with natural light and wonderful views with capacity for up to 150 guests.

With easy access to both the M3 and M4 and plenty of free car parking, Sherfield Oaks is the ideal venue for all your conferencing and function needs. We offer a standard delegate package but can also tailor make a package to suit your specific requirements.

Each booking is dealt with the care and attention required to ensure that the day is fully organised and prepared prior to the guests' arrival.

During the event a dedicated member of the service team will attend to your every need. At Sherfield Oaks our teams offer an exceptionally high standard of service and will work closely with you to make your day a complete success.
